Briskin/DC/USEPA/US@EPA, Nathan Gentry/DC/USEPA/US@EPA

I will make myself available anytime between 9 AM - 630 PM central Wed.
Thursday will be available any time prior to 830 AM, from 930 AM to 130 PM, or
from 330 to 7 PM central.

Stephanie

Unfortunately, I can't get Bob and staff on at those same times. We
could do 9:30 am EST on Thursday morning. Could that work on your end?

Don, Please call me Stephanie - just received the correction - we could
be available from 10 am to 2 pm EST or 3 pm to the end of the day EST.
The agenda looks great and I would request the following additions. We
would like to add QMP development to #1. Also we would like to discuss
laboratory credentials and schedule, if possible.
Thanks, Stephanie

Ms. Timmermeyer

We would like to see if we can a 90 minute meeting for tomorrow at 5:30 pm EST, re: Chesapeake Prospective Case Study Issues.

I have included a proposed agenda for your viewing below.

Please let me know if this will work on your end and if not let's see if we can find to chat by phone today to see what else could be worked out. As a back up time we might be able to pull off the 9:00 am EST time slot. My numbers are listed below.

v / r

Don Maddox

Proposed Agenda

Chesapeake Prospective Case Study Plan Issues

1. Study plan development / QAPP writing
2. Placement of monitoring wells (MWs) on the drilling pad, very near the gas well
3. Sampling techniques and locations
4. Analytical Methods
5. QA/QC Criteria Outliers
6. Micro seismic testing
7. Selected Study Site
8. Pre - pad construction background data
